

Critical Assault Unit

Combination of FPS and Zombie Survival

CRITICAL

ASSAULT UNIT

Introduction

Genre

First-Person Shooter(FPS)

Arcade-style combat experience of surviving against endless enemies in small spaces.

Platform

PC (Mouse & Keyboard)

Offers fast-paced gameplay focused purely on combat, without complex story.

Game Design

Completion First

Production of MVP within 1–2 months

Focusing on Core

Implementing solid gameplay mechanics over high graphics

Intuitive Experience

Control and systems that players can immediately understand and enjoy

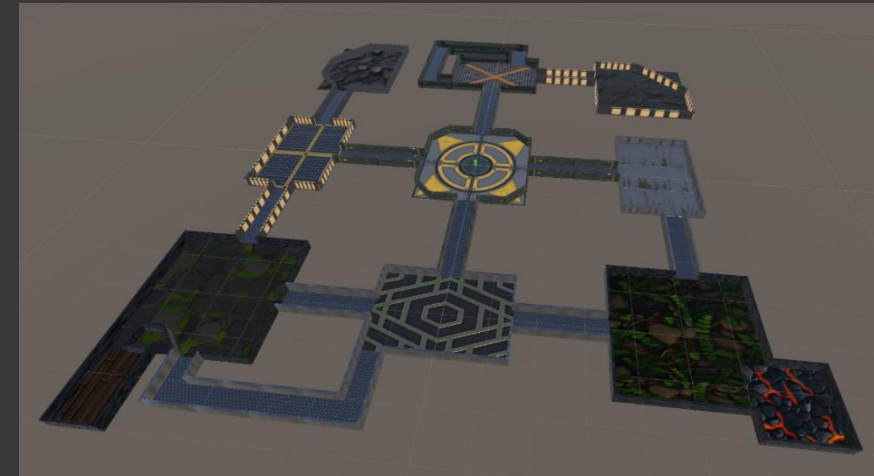

3D Modeling & Particles

The immersive world of Critical Assault Unit is brought to life through meticulously crafted 3D modeling. Every visual element in the game has been carefully designed to deliver the ultimate combat experience to players.

Environment Design

The combat map features diverse terrain and structures, allowing players to move strategically and take cover.

Detailed modeling matching the theme of a ruined, secret research facility enhances immersion.

Enemies & Objects

All objects are modeled with consideration for the game's atmosphere and functionality.

Enemies have movement and attack animations.

Shooting

Particles appear when the gun is fired and when it hits.

Player Controls

1

Movement

Use the **WASD** keys to move freely around the map in all directions.

2

POV & Shooting

Use the **mouse** to adjust the viewpoint and click to shoot precisely.

3

Reload

R key to reload; ammunition management is key to survival.

Combat System

Spawning Enemies

- Defeat the zombies charging at the player
- Defeat a certain number of zombies to summon the boss

In-Game Resources

- Ammunition
- Health

Enhancement System

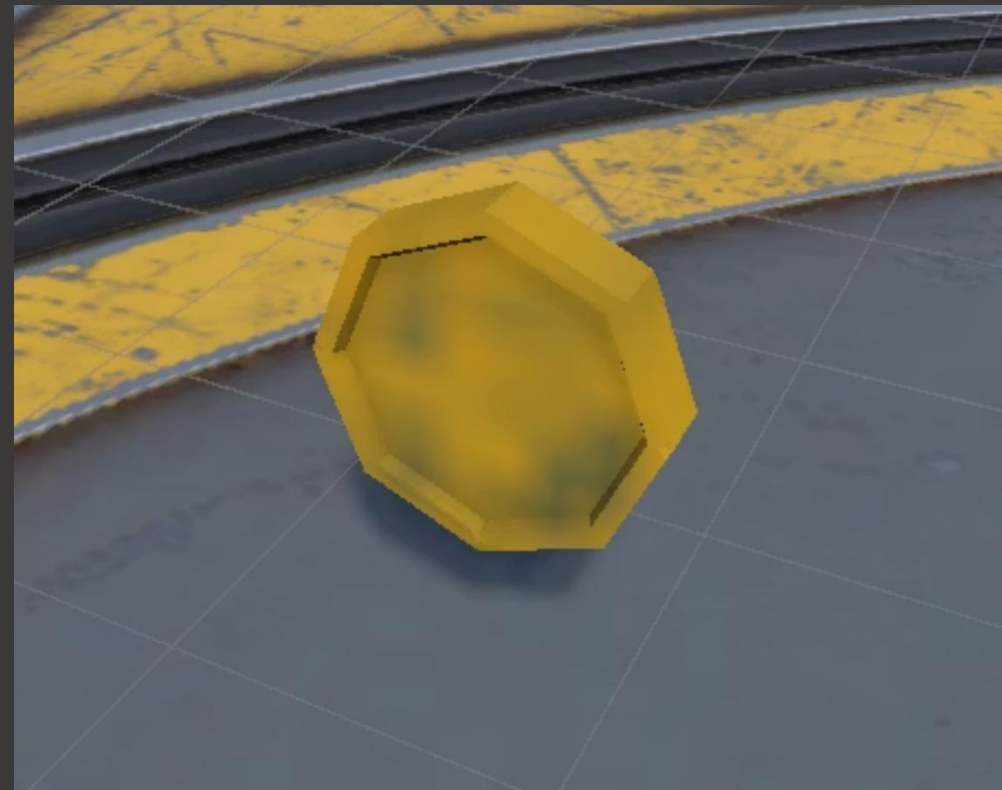

Earn Coins

- Collect coins dropped when defeating enemies
- Gain stat boosts every 10 coins collected

Enhancing stats

- **Damage:** Eliminate enemies more quickly
- **Attack Speed:** Increased firepower density

Resupplying Items

Ammo

The lifeline of combat, essential for firepower

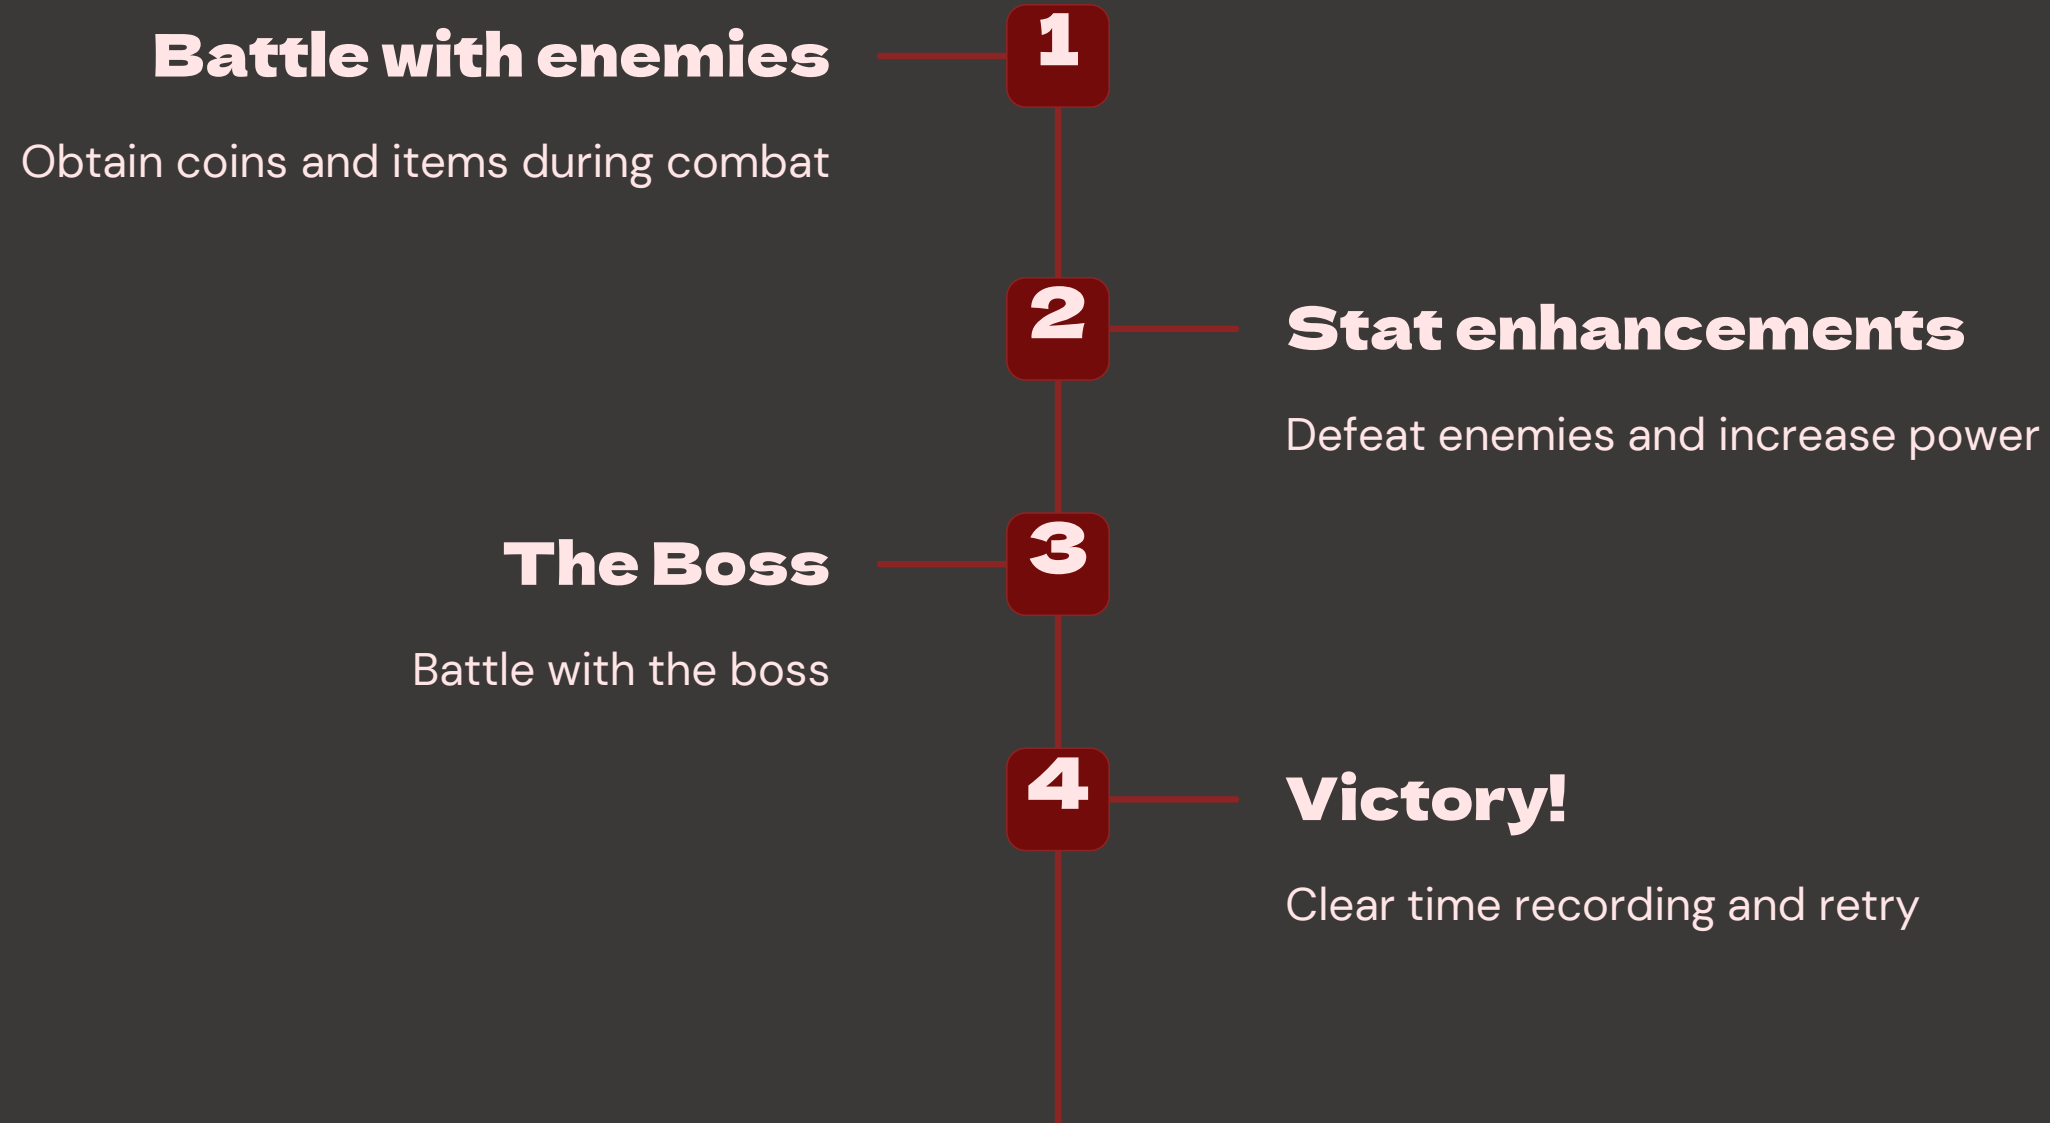

Health

Restore health to ensure survival in critical situations

❏ **Warning!** Supply items spawn and disappear after a certain amount of time.

Game Flow

Game Clear

Victory Condition

Defeating the final boss will follow in victory.
